Dear Sir

Enclosed is documentation of fraud and extortion. My parents have had over \$20,000 extorted from them and I have been made to pay over \$30,000 more than I should have.

My civil right to a fair trial have been completely been ignored. I have no rights in the courtroom. I have only been able to see my children once in the past year for a total of 20 minutes even though they only live a few miles away. I might add I have a court order to see them but the court refuses to hear anything about it.

The "introduction" section shows how they set this extortion and fraud up and a brief description of each of the participants. The "proceedings" section is more detailed as to how it is carried out with everything being referenced.

I have had my support checks stolen and I have been harassed by the county employees.

Attached is the sent to Albert M. Rosenblatt, Chief Administrative Law Judge for the State. I believe that they will do absolutely nothing about it. They have been covering this up for over 4 years now. The corruption goes from the bottom to the top.

I am also enclosing all the documentation that was sent to him.

If you need any other documentation I will be glad to send it to you.

I am due back in court before James on March 22, 1989.

Thank you
