

## **No one is above the law?**

The democrats keep stating: “No one is above the law”. They also claim it is their job to defend and protect the U.S. Constitution when in fact the democrats are holding themselves above the law and are stripping the citizens of New York State of their State and Federal Constitutional rights.

Not only do the democrats promote Illegal aliens to come to the U.S., the democrats support and want to reward the illegal aliens for violating our immigration laws. Democrats want to give Illegal aliens:

FREE medical and FREE schooling for their children. Do they also get welfare, food stamps, housing, etc.?

New York wants to give them driver’s licenses so they can illegally vote for the democrats as they only have to show an ID to vote.

Illegal aliens are protected by the Sanctuary Cities when they commit crimes including murder, assault, rape, etc. The democrats do not want these criminals deported! Democrats want American citizens to suffer.

Are illegals getting reduced sentences because they are illegal aliens and may face deportation? Preferential treatment by democrats?

Illegal aliens get a free attorney when arrested for any crime.

The attorneys will fight to keep them in the US after they are caught.

The democrats will fight for the illegal aliens to stay with their children.

Why are illegal aliens above the law and rewarded for breaking the law?

Yet, on the other hand the NYS democrats deprive US citizen’s, our military and their families, of their constitutional rights to public trials, jury trials, courts of proper jurisdiction before they are illegally imprisoned and want to destroy our families or military families with their illegal actions. Obviously, illegal aliens get their rights protected and have more rights than our military and their families. The democrats are NOT protecting our Constitutional Rights, they are destroying them. **THE DEMOCRATS ARE TERRORISTS!!**
