

Rep. Jerry Nadler should be removed as head of the House Judiciary!

Why don't the Republican's change the narrative of the impeachment proceedings and go after Rep. Jerry Nadler and his support of the violation of Constitutional Rights. Republicans need to go on the offensive by demonstrating it is the democrats who are violating both the New York State and Federal Constitutional rights.

Nadler, Schumer and Gillibrand are all fully aware that the New York State Judiciary, controlled by Democrats, is deliberately stripping New York State residents, including our veterans and their families, of their constitutional rights that they fought to protect and defend.

1. Nadler supports closed court proceedings where a litigant is tried, convicted and sentenced to jail in secret court proceedings. www.justice4ny.com/scoops (Scoop 02)
2. Nadler supports the deprivation of a litigant's constitutional right to a jury trial. www.justice4ny.com/scoops (Scoop 05)
3. Nadler supports the NYS Court of Appeals ruling that the right to a public trial and a jury trial are NOT substantial rights in NYS. www.justice4ny.com/scoops (Scoop 32)
4. Nadler supports the NYS Judiciary's abuse of children. (Scoop 7)
5. Nadler supports the violation of a litigant's constitutional right to counsel at all stages of a criminal proceeding and basing the law on a dictionary definition instead of Appellate Court ruling. (Scoops 38, 41, 42, 43, 44, 45)
6. Nadler supports the deprivation of constitutional rights of our veterans and their family members while fighting for and protecting illegal aliens who commit crimes in the U.S.
7. The Scoops demonstrate the destruction of our constitutional rights by the democrats in New York State.
